

Be local. Be global. Be the Gospel.

One day we will celebrate with sisters and brothers from every culture, tribe, tongue and nation God's healing of creation and reconciliation of all things in Jesus.

We not only anticipate that day with joy, we are also invited to be partners and co-laborers with Christ in inviting and welcoming people from every tribe and tongue to be a part of that celebration, which will gather around the throne of

God. We celebrate the brothers and sisters, and each congregation in Ohio Conference, who have shared their lives, their prayers, and their resources to realize God's dream of healing the nations and of a world redeemed through Jesus Christ.

Thank you for your generosity and partnership with Mennonite Mission Network in God's project. With sincere appreciation!
