## ***MMN offers missional training for congregations***

Is your congregation interested in learning more about what it means to be missional? Ohio Conference is partnering with Mennonite Mission Network (MMN) to offer the Missional Discipleship Initiative to Conference churches beginning this fall.

Marvin Lorenzana, the director for discipleship initiatives at MMN, coordinates the Missional Discipleship Initiative (MDI). “Our goal is to help leaders engage the missional church conversation while also experimenting with hands-on discipleship tools such as Missional Discipleship Groups (MDGs) for eight months,” he said. “The final goal is that you learn to contextualize what the Missional Discipleship Initiative has to offer to your reality in Ohio Conference. Also, the biweekly virtual huddle allows implementing leaders to engage the conversation while offering support and encouragement to one another.”

- MDI is focused on renewal in local congregations through small group discipleship.
- The main resource used in MDI is *Lifeshapes* by Mike Breen (3DM Publishing).
- MDI will be contextualized to meet the missional goals of Ohio Conference.
- The following topics will be highlighted in MDI groups: missional habits/practices, missional experimentation in the local congregation, and engaging third places.
- One or two MDI cohorts will launch on Oct. 1 in Ohio Conference (one in western Ohio and a potential one in the east).
- MDI cohorts will meet online every two weeks for an hour and 15 minutes for a total of eight months with a possible extension to one year.
- Enrollment is open until July 31. **If your congregation would like to participate, contact Marvin Lorenzana at [MarvinL@MennoniteMission.net](mailto:MarvinL@MennoniteMission.net) or (540) 209-1450.**

## **Ohio Conference Cast features Orlando podcasts**

Last week, the Mennonite Church USA Convention in Orlando was a busy time full of discussion, workshops and worship. But for one person, Bill Seymour, host of the Ohio Conference Cast, the week was even busier. In between all the other convention activities, Bill and several co-hosts interviewed people participating in the convention as part of the Ohio Conference Cast podcast series.

During the convention, Bill and his co-hosts recorded four podcasts. Here is a recap of the topics:

- Who are the Dones, and why do we care?
- Delegates reflect on first sessions
- Doctrine of Discovery, or “Hey! It’s Ted Swartz!”
- Young adults share their reflections

You can find all of these podcast episodes on [iTunes](#) (search for “Ohio Conference Cast”) or find them on the Ohio Conference website: [www.ohiomennoniteconference.org/podcasts](http://www.ohiomennoniteconference.org/podcasts).
