Life In the Parsonage

Being a pastor's wife is a high
calling and a great joy; a great
responsibility and a great blessing.

Pastors' wives, ever wonder if
other pastors
are similar to ~~your experiences~~
they handle the struggles, lean on
the blessing of this ministry and
enjoy our high calling as a pastor's
wife?

During our Pastors' Wives Retreat
we will explore those thoughts as
several wives relate what Life in
the Parsonage is like for them.

We will have time to reflect on
our own lives and participate in
relaxing activities, crafts, and
getting to know each other.

Join us for a relaxing, kick-back,
refreshing week-end!
