

Knowing and Hearing the Stories

As we celebrate the 500th anniversary of the Reformation, we also lament the violence and division that took place between Christian sisters and brothers. As an act of healing, Presbyterians from the Maumee Valley Presbytery have asked to come to First Mennonite of Bluffton to listen to the stories of Anabaptists and Catholics, and to confess the role of Presbyterian ancestors in perpetuating that violence. In addition to the stories and confessions, there will be time to discuss how the splintering experienced in the Reformation continues to affect our relationships today.
