Everence to award scholarships

GOSHEN, Ind. – Everence is accepting applications for college scholarships for the 2018-2019 academic year through the end of February.

A college scholarship is one of the potential benefits of doing business with Everence. The Everence scholarship program encourages young people to explore the integration of faith and finances while helping them on their educational journeys.

Eligible students can be chosen to receive scholarships of \$750 from their area Everence office. Three of those recipients then are chosen for additional national scholarships – one of \$1,250 and two of \$250 – which means the top three will receive grants totaling \$2,000 or \$1,000.

Recipients are chosen based on academics, leadership, community involvement and responses to an essay question.

Scholarship funds may be used to pay tuition, book costs and related course fees. A scholarship application – which includes eligibility details – may be downloaded by visiting everence.com/college-scholarships.
