

Camp Luz

Freely proclaiming the radical hope of Jesus Christ to the next generation!

Annual Report

2017 Reflections

Last year was another year of God's provision and blessing. We had a record number of guest groups, a full summer staff (*and one of the best ever*), and a conservative estimate of more than 80 summer campers who made a commitment or recommitment to Christ Jesus. We have also been blessed with generous donations to the camp, including a new furnace and air conditioning in the Chapel. The new wastewater plant was also completed and brought online.

Prayer Requests

- That God would fill the camp with the campers who need to be there and provide the summer staff we need to provide a great camp experience for them.
- For our board and directors as we seek God's leading for the future of this exciting and important ministry.

Ways to support the ministry of Camp Luz

- **Volunteer** — There are a variety of projects year-round, inside and outside for individuals or groups to assist with, including painting, cleaning, leaf clean-up, oil changes, and minor building repairs.
- **Donate** — Contributions from individuals, businesses, or churches make up about 30 percent of our annual budget and are critical to keeping camp affordable for everyone. We also keep a running Wish List available through the camp office and posted in our quarterly newsletter.
- **Pray** — This is frontline ministry work, especially the summer program. Keep our staff lifted up in prayer.
