

## PRAYER MINISTRY

Prayer changes things. And when things are changing, prayer lights the way.

Please take a moment to find the resources on the Ohio Mennonite Conference website ([www.ohiomennoniteconference.org](http://www.ohiomennoniteconference.org)) under RESOURCES>PRAYER. We continue to appreciate and benefit from the work of our predecessor prayer coordinators. *Prayer Prompter*, the bi-monthly Conference prayer guide, is one way we can support each other. Hopefully, individuals and congregations are finding ways to include each other in their times of prayer.

If you know of someone, perhaps yourself, who is being nudged by the Holy Spirit to be intentional about prayer in congregational and Conference life, I would very much like to talk. Please contact me at [danhooley@sbcglobal.net](mailto:danhooley@sbcglobal.net) or 330-413-7319.
