Retreat Theme

Pastors' Wives Are "Chosen."

Mary, a woman with an amazing servant heart, said, "I am the Lord's servant!" While this isn't new, original sounding or attention grabbing, the "Chosen-ness" of Mary and her attitude are humbling. While pastors' wives serve with their husbands, it is easy to find oneself not wanting at all to be "chosen" but rather to be normal, like everyone else.

However, pastors' wives ARE chosen. This great calling IS and CAN BE a tremendous blessing on our lives if we see it from God's perspective.

Retreat Speaker

Nan Kanagy currently lives in the rolling mountains of eastern PA.

The wife of Kevin, who is lead pastor at their church, she is also a homeschooling momma to 3 girls, director of their homeschooling co-op and part-time pastor of Youth and Worship at Hope Community Church. She loves to read, pick and plant flowers, and dance!
