## Our Theme:

### "Be Strong and Courageous"

What does it mean to be a "strong and courageous" male follower of Jesus Christ in the 21st century? Our American society and culture gives us mixed messages about what men are supposed to be like. By looking at the story of Joshua from the Old Testament together, we hope to get a clearer picture of what God expects of men today. While the story of Joshua (whose name is equivalent to Jesus in the Greek) is a historical book, it is also a prophetic book which gives us a picture of how the people of God in our time can enter into the fullness of our inheritance in Christ.

#### Meet Our Speaker:

**Dick Barrett**

**Dick Barrett** is the new Conference Minister for Ohio Conference of the Mennonite Church. Prior to assuming the position he served as pastor of Oak Grove Mennonite Church in West Liberty, Ohio for 16 years. Before that he served as a New York State Trooper for 21 years. Over the course of that time, especially since becoming a disciple of Jesus Christ, his sense of what it means to be a "strong and courageous" man in the eyes of God has changed.
