

Spiritual Direction Event

Spiritual direction is an opportunity to pay attention to God's movement and stirrings in one's life. It is an opportunity to receive help in noticing and responding to God through a confidential relationship with a spiritual director. According to pastor and author Eugene Peterson, "It is not merely nice for pastors to have a spiritual director; it is indispensable." Spiritual direction can help pastors have integrity in leadership, practice self-care and self-awareness, have a partner in prayer, and provide a safe place for vulnerability.

Ohio Conference will be offering a day-long event to introduce the concept of spiritual direction to pastors. Led by Janice Hershberger, Randy Murray, and Christine Nafziger, attendees will learn about spiritual direction while also experiencing how spiritual direction functions.
