ENGAGING MISSION

2020

Engaging Mission 2020 is a weekend designed to give participants an introduction to missional living where they will be challenged to create space for mission in their everyday lives. Participants will enjoy worship led by Huber Mennonite's worship team and input by Seth and Theresa Crissman from Virginia Mennonite Missions, along with various breakout opportunities including discussion, service and neighborhood related activities. *This will be a bilingual event in both Spanish and English.*

SETH AND THERESA
CRISSMAN

Seth and Theresa Crissman live with their children Eliana, Maria and Isaiah in Harrisonburg, VA, and help churches in the Shenandoah Valley share the Good News with children in their local communities. They are expanding Kids Club programs from several congregations to meet a wider need in the community.

Kids Club shares the good news found in Jesus Christ, equips congregations to engage their own context as missional communities, and creates a space where folks can learn how to share God's love to the world. The Crissmans also oversee and mentor several young adult Kids Club staff during the summer.

Seth and Theresa are part of the Virginia Mennonite Missions umbrella of programs. They are in the program area of TransForm.
