# LIVE & LAUGH

This weekend we invite you to find the joy in the everyday, through the sharing of laughter and stories.

Shawn Reynolds

It's a rare occasion when a comedian can give you belly aching laughter, inspirational stories and relevant life

material in one exceptional show, but that's what Shawn does! He's a comedian that works clean by choice - but not boring. He talks about marriage, kids, and life.

As seen on CMT and SiriusXM Radio

Yellow Springs is a village in Greene County, Ohio. The village takes its name from a nearby natural spring that is rich in iron ore, leaving a yellowish-orange coloring on the rocks.

Visit <https://www.yellowspringsohio.org/> to see what kind of things to explore during your free time.

A Special thank you to Huber Mennonite Church for providing Sunday morning worship.
