Past Participant Comments

The retreat was awesome!

The highlight of the retreat was getting away from home to spend time w/ my spouse and have a dose of good Ohio Conference fellowship.

It definitely felt relaxing and renewing.

This retreat has been designed to provide an affordable time away for pastors and their spouses. The retreat will offer a combination of organized activities as well as unstructured time. During the weekend, participants will be encouraged to *REST* in the Lord, *REFRESH* through downtime, self-care, and couple-care, and *RECONNECT* with their spouse and with other pastoral couples. The retreat will end with a worship service on Sunday morning.
