

Options for non-delegates during Worshipful Work Sessions

During Worshipful Work Sessions in which delegates will be engaged in Conference work, non-delegates may choose to participate in other activities. Below are a few activities that are available. Please indicate which ones you would be interested in on your registration form.

Country Closet Thrift Shop

9800 US Highway 42 S
Plain City OH 43064

Sign up to volunteer at the local MCC thrift store located around the corner from Sharon Mennonite. Volunteers are needed for a variety of services that may include light cleaning, bagging, sorting donations, stocking items, or other things. Country Closet Thrift Shop is grateful for this opportunity to work with Ohio Conference constituents.

Daily Needs Assistance

Plain City OH

DNA is a Christ-centered non-profit serving impoverished/low-income families in the greater Plain City area with holistic resources and programming. Their mission is to love their neighbors, act to alleviate poverty, and walk with people towards Christ. DNA would appreciate help on Friday morning unloading trucks for their food pantry. They may also have other needs for help closer to ACA.
