## Credentialed Leaders Bible Study

The Bible Study was held on May 10th at the Mansfield Richland Library.

Dan Hooley shares his thoughts about the day:

*"Our passage of scripture covered most of the verses from I Corinthians 3, which includes I*

*Corinthians 3:11: "No one can lay any other foundation...". We spent half our time giving careful attention to what the Apostle Paul was trying to say to his readers. The other half was answering the question: what do Paul's words mean for us today? One of the thoughts I took home with me was that I want to ask myself more often: how does what we're doing as a congregation right now connect with making Jesus the foundation of our lives?"*

We are thankful for the time folks spent together being immersed in the word even if for just one day.
